and knowledge to figuring out how ancient groups of people who did not use advanced tools or even the wheel could create such structures The most advanced chisels and hammers of the time would have been created from copper stone and wood With these simple hand tools people dug granite andesite and porphyry out of quarries After transporting them to the final locations they then carved them with smooth precision so they would fit together almost seamlessly What techniques could these ancient experts use to make such flat and smooth surfaces exact angles and joints that would not allow a single blade of grass to squeeze between Historians can only guess about some of the methods that allowed for such unique stone cutting and building styles *DK Eyewitness Travel Guide: Peru* Maryanne Blacker,2016-08-02 Color maps and illustrations on lining papers **DK Eyewitness Chile and Easter Island** DK Eyewitness,2020-07-21 Your journey starts here Featuring DK's much loved maps and illustrations walks and information plus all new full color photography this 100% updated guide to Chile and Easter Island brings you the best of this beautiful country in a brand new lightweight format What's inside full color photography hand drawn illustrations and maps throughout easy to follow walks drives and itineraries our pick of Chile's must sees top experiences and hidden gems insider tips and information when to visit how to avoid the crowds where to capture the perfect photo and more the best spots to eat drink shop and stay an area by area guide covering each corner of Chile from the Norte Grande to Santiago Southern Patagonia to Easter Island expert advice get ready get around and stay safe Now in paperback and printed on quality lightweight paper our Chile and Easter Island travel guide has been redesigned with you the traveller in mind so you can take it wherever you go Travelling around South America Try our DK Eyewitness Travel Guide Argentina and DK Eyewitness Travel Guide Peru DK Eyewitness is the bronze award winning travel guidebook series as voted by the Wanderlust Reader Travel Awards 2019 *Peru* Dilwyn Jenkins,2003 The Rough Guide to Peru is a comprehensive handbook for the independent traveller that provides entertaining coverage of all the sights detailed listings of the best places to stay and eat and practical advice for outdoor pursuits [DK Eyewitness Brazil](#) DK Eyewitness,2020-03-18 Your journey starts here Featuring DK's much loved maps and illustrations walks and information plus all new full color photography this 100% updated guide to Brazil brings you the best of this captivating country in a brand new lightweight format What's inside full color photography hand drawn illustrations and maps throughout easy to follow walks tours and itineraries our pick of Brazil's must sees top experiences and hidden gems insider tips and information when to visit how to avoid the crowds where to capture the perfect photo and more the best spots to eat drink shop and stay an area by area guide covering each corner of Brazil from Sa o Paulo to Salvador Rio de Janeiro to the Amazon rainforest expert advice get ready get around and stay safe Now in paperback and printed on quality lightweight paper our Brazil travel guide has been redesigned with you the traveller in mind so you can take it wherever you go Touring more of South America Look out for our DK Eyewitness Travel Guides to Peru Argentina and Chile and Easter Island
