we turn pro is we find our power We find our will and our voice and we find our self respect We become who we always were but had until then been afraid to embrace and live out **What if It Does Work Out?** Susie Moore,2020-01-15 Transform your hobby or talent into a side hustle that will provide you with inspiration fulfillment and a fortune This book is the energetic motivational injection to help you overcome your fears and doubts *The Professional Mindset* Steven Pressfield,2019-03-05 **How Does a Story Start?** Steven Pressfield,2019-12-04 **Govt Cheese** Steven Pressfield,2022-12-06 *Put Your Ass Where Your Heart Wants to Be* Steven Pressfield,2022-07-15 Are you losing your war of art Are you being defeated by a tendency to procrastination self doubt fear distraction and perfectionism Are you self sabotaging your loftiest artistic entrepreneurial dreams The antidote is in nine words PUT YOUR ASS WHERE YOUR HEART WANTS TO BE Can you shift your artistic identity your ass from the shallow fearful superficial Ego to the wise loving fearless Self Can you commit to your dream for the long haul and for keeps In this book bestselling author Steven Pressfield delivers the tough love inspiration to help you make this life altering transformation **The Artist's Journey** Steven Pressfield,2018 I have a theory about the Hero's Journey We all have one We have many in fact But our primary hero's journey is the passage we live out in real life before we find our calling The hero's journey ends when like Odysseus we return home to Ithaca to the place from which we started What then The passage that comes next is The Artist's Journey On our artist's journey we move past Resistance and past self sabotage We discover our true selves and our authentic calling and we produce the works we were born to create You are an artist too whether you realize it or not whether you like it or not and you have an artist's journey Will you live it out Will you follow your Muse and do the work you were born to do Ready or not you are called Back cover **Winning the Brain Game (PB)** Matthew E. May,2016-05-27 Mindful thinking is the new competitive edge Science confirms the distinction between the biological brain and the conscious mind Each day a game of mind versus matter plays out on a field defined by the problems we must solve Most are routine and don't demand a more mindful approach It's when we're faced with more difficult challenges that our thinking becomes vulnerable to brain patterns that can lead us astray We leap to solutions that simply don't work We fixate on old mindsets that keep us stuck in neutral We overthink problems and make them worse We kill the ideas of others as well as our own Worse we keep doing these things over and over again naturally and instinctively But it doesn't have to be that way In *Winning the Brain Game* author and creative strategist Matthew E May explains these and other fatal flaws of thinking catalogued over the course of ten years and hundreds of interactive creative sessions in which he gave more than 100 000 professionals a thought challenge based on a real case far less complex than their everyday problems Not only did less than 5% arrive at the best and most elegant solution but the solutions given were remarkably similar revealing seven observable problem solving patterns that can block our best thinking Calling on modern neuroscience and psychology to help explain the seven fatal flaws May draws insights from some of the world's most innovative thinkers He then blends in a super curated field tested set of fixes proven through

hundreds of creative sessions to raise our thinking game to a more mindful level Regardless of playing field mindful thinking is the new competitive advantage and the seven fixes are a magic set of tools for achieving it Winning the Brain Game will lead you to better decision making higher levels of creativity clearer strategies and overall success in business work and life
