change in Chinese martial arts can be seen in the modern sportification of it Motivated by rank trophies and money the combative elements have been forsaken in favor of competition and show Orignally practical techniques have been transformed into pure acrobatics This special anthology provides an encompassing overview of the development and variety of Chinese martial arts You will come to appreciate the ancient roots and the forces that have influenced how and why these arts are practiced today **A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942** ,1942 Catalog of Copyright Entries ,1937 *Library of Congress Catalogs* Library of Congress,1978
