Casto,2009-10-08 Balance is vital to fighting effectively It provides a solid platform from which to generate power for strikes and it s the key to the mobility we rely on to avoid attacks and get into position to launch our own attacks If we can take our opponent s balance then we dramatically reduce their ability to fight effectively This manual is intended for participants of this workshop You ll notice that there aren t any photos to depict the drills and techniques we cover If you work the material at the workshop and then you take this manual and review it and continue working with the material then the text descriptions should be sufficient If you don t review the material and continue work with it then all the pictures in the world wouldn t help you While this manual focuses on the material covered in this workshop it also has some general notes and information that you might find useful information that there simply isn t enough time to cover in this workshop **Sonny**

Umpad's Eskrima George M. Yore,2012-11-06 Sonny Umpad s Eskrima provides insight on Maestro Santiago Sonny Umpad s life philosophy and teaching methods as well as the structural underpinnings of his system Born with the soul of a warrior the intellect of a scholar and a zealot s devotion to his art Maestro Santiago Sonny Umpad forged an enduring contribution to the rich and colorful history of Filipino martial culture In 1976 after immigrating to the United States Sonny founded the school of Visayan Style Corto Kadena basic techniques and applications are also demonstrated accompanied by 130 step by step photos Practitioners of Filipino martial arts as well as mixed martial artists and security specialists will find valuable instruction in techniques and applications while the thousands of people touched by Sonny s teachings will gain a new understanding of this notoriously reclusive master s life and how his experiences informed the development of his system

Arnis Self-Defense Jose Paman,2007-04-03 The book features a twofold interrelated focus First it looks at the unique Filipino culture how it was greatly influenced by Spanish colonization the oppression it suffered under foreign rule and how the native yearning for freedom led to the development of the martial art of arnis The book then presents the distinct technical aspects and resultant physical manifestation of the indigenous fighting art Centering upon the Kombatan method forged by Grandmaster Ernesto Amador Presas Sr it describes numerous maneuvers utilizing stick blade and empty hand

components and offers information on their myriad practical applications This volume is unique in that it is one of but a few composed by a native born and bred Filipino author one who absorbed lesson in the Philippines directly under the guidance of an established system s founder The book seeks to present arnis in a proper light as a simple and pragmatic method of self protection while debunking the more fanciful theories and concepts that have crept in as it makes its way into world consciousness
