Communion with Christ and His People Peter J. Morden, 2014-01-31 Charles Haddon Spurgeon 1834 1892 was the most famous Baptist minister of his generation For such a significant figure he has received surprisingly little scholarly coverage This present work seeks to make a contribution to Spurgeon studies by examining him through the lens of his spirituality A wealth of primary material much of it previously untapped is used to build up a picture of his spiritual life Whereas older and more recent interpretations of Spurgeon have a tendency to be one dimensional examination of his spirituality reveals him to

be a complex figure one who was molded by a diverse range of factors Despite this complexity a unifying theme for Spurgeon's spirituality is traced and fresh light is shed on the foremost popular preacher of the Victorian age **Charles Haddon Spurgeon, a biogr. sketch and an appreciation, by one who knew him well**, 1903 Pathways and Patterns in History Peter J. Morden, 2020-10-06 Professor David Bebbington is a highly regarded historian He holds a chair at the University of Stirling has been President of the Ecclesiastical History Society and has delivered numerous endowed lecture series as well as being deeply involved in the Dr Williams's Dissenting Academies Project He is both a popular and influential academic historian whose writings have significantly shaped our thinking about the history of evangelicalism Baptist life and political developments In *Pathways and Patterns* colleagues former research students and friends who are indebted to Professor Bebbington and value his contribution to scholarship join together to pay tribute to his outstanding work Not only has he stimulated academic endeavour he has also given much personal support not least to those in the Baptist Historical Society and in Colleges among them Spurgeon's College and Baylor University USA where he is a Distinguished Visiting Professor This volume reflects his wide involvements and the grateful esteem in which he is held Among Professor Bebbington's achievements has been both instituting and masterminding the very important International Conference on Baptist Studies ICOBS held every three years in different parts of the world It is appropriate then that this volume was presented to him at the Seventh ICOBS Conference held in Manchester July 2015 *Charles Haddon Spurgeon*, 1903 A People of One Book Timothy Larsen, 2011-01-27 This book vividly recovers the lost world of the Victorians in which everyone thought spoke and argued through scripture Larsen presents lively individual case studies of well known figures from different religious and sceptical traditions including Florence Nightingale T H Huxley C H Spurgeon and Catherine Booth **Nonconformity's Romantic Generation** Mark Hopkins, 2007-01-01 This is the first book to attempt a theological portrait of a pivotal generation in the history of the English Free Churches It does so through a dual strategy firstly studying the theological development of key leaders over several decades and secondly capturing the state of the Unions Congregational and Baptist through the freeze frames provided by their biggest denominational controversies in the 1870s and 1880s respectively Archetypal Victorians whose working lives stretched through most of that long reign in the 1860s this generation inherited leadership from a predecessor that had eked out the dying momentum of the Evangelical Revival Bathed in the formidable energy of a newly discovered Romanticism they wrestled strenuously with the fresh challenges it exposed them to while engaged in lengthy ministries in thriving city churches They variously tried rejecting and embracing the liberal transformation of their evangelical heritage or even in the case of R W Dale somehow achieving their synthesis Yet in the end neither he nor C H Spurgeon nor anyone else really found an expression of Christian faith that the next generation could take up and build with and their successors were to preside over the first obvious stages of a long deep and traumatic decline At a time when this period is again being scrutinized for that elusive answer the author will not claim to have tracked it down

there but the conclusion nonetheless indicates that this study surprisingly helped open up vistas much broader than those of the nineteenth century debates     The Life of Charles Haddon Spurgeon Charles Ray,1903     **Foundation Documents of the Faith** Cyril S.
