# Gifted and talented

**2-5%** of gifted students have a learning disability

Gifted students do not always excel at school

Adjustments should comprise elements of any or all of the following:

faster pace  
(acceleration, compacting)

greater breadth (enrichment)

more depth (extension)

Giftedness does not guarantee a student's future success

Many gifted and talented students are perfectionists and will work on a task until it is completed to their satisfaction

Giftedness may be physical, intellectual, creative, social or perceptual

Up to **10%** of students in a class are gifted and talented

The skills and abilities of gifted children may develop at different rates across the social and academic domains
