## Girl Guide First Aid Badge:

Pearson's Magazine ,1910      Guiding Modern Girls Kristine Alexander,2017-11-15 Across the British Empire and the world the 1920s and 1930s were a time of unprecedented social and cultural change Girls and young women were at the heart of many of these shifts which included the aftermath of the First World War the enfranchisement of women and the rise of the flapper or Modern Girl Out of this milieu the Girl Guide movement emerged as a response to popular concerns about age gender race class and social instability The British based Guide movement attracted more than a million members in over forty countries during the interwar years Its success however was neither simple nor straightforward Using an innovative multi sided approach Kristine Alexander digs deeper to analyze the ways in which Guiding sought to mold young people in England Canada and India She weaves together a fascinating account that connects the histories of girlhood internationalism and empire while asking how girls and young women understood and responded to Guiding s attempts to lead them toward a service oriented useful feminine future      The Westminster ... ,1912      **The Review of Reviews** William Thomas Stead,1914      **The Sunday at Home** ,1914      **Home Front** Eric Johns,2012-04-01 In the Second World War everyone was on the front line No one was too young to fight and you didn't even have to leave home That's why it was called the Home Front The war came to you Young people found their homes bombed and their countries occupied by foreign armies Home Front tells how the war turned them into evacuees resistance fighters fugitives and heroes      **Daisy and the Girl Scouts** Fern Brown,1996-01-01 In this fascinating biography of Juliette Gordon Low who loved to be called Daisy readers will learn about her Civil War childhood her almost complete hearing loss and her unhappy married life      **Subject Index of the Modern Works Added to the British Museum Library** British Museum. Department of Printed Books,1927      **Children at War, 1914-1918** Vivien Newman,2019-03-30 The author of *We Also Served* examines what life was like for children during World War I For most British readers the phrase children during the war conjures up images of the evacuees of the Second World War Somehow surprisingly the children of the Great War have been largely and unjustifiably overlooked However this book takes readers to the heart of the Children's War 1914-1918 The age range covered from birth to 17 years as well as the richness of children's own writings and the breadth of English French and German primary and secondary sources allows readers to experience wartime childhood and adolescence from multiple multi national standpoints These include British infants in the nursery German children at school French and Belgian youngsters living with the enemy in their occupied homelands Australian girls and boys knitting socks for General Birdwood Commander in Chief of the Australian Imperial Force Girl Guides working for MI5 youthful Ukrainian Canadians wrongfully interned German children held as prisoners of war in Siberia teenage deckhands on the Lusitania not to mention the rebellious underage Cossack girl who served throughout the war on the Eastern Front as well as the youngest living recipient of the VC At times humorous at others terrifying this book totally alters perceptions of what it was like to be young in the First World War Readers will

marvel at children's courage ingenuity patriotism and pacifism and wholeheartedly agree with the child who stated What was done to us was wrong *Subject Index of the Modern Books Acquired by the British Museum in the Years ...*, 1927 The Sphere, 1920 *Scouting for Girls* Tammy M. Proctor, 2009-09-23 This volume examines scouting the largest voluntary movement for girls in its first century of existence seeking to understand how the organization has lasted and how it has changed Scouting for Girls A Century of Girl Guides and Girl Scouts is the first global history of Girl Scouting and Guiding that addresses the successes and pitfalls of the 100 year old organization from its beginning in Great Britain through its international expansion Since 1910 millions of girls worldwide have been exposed to Scouting While much has changed since 1910 the core values of Scouting Guiding are still recognizable in today's programs namely the empowerment of girls through adventure character building home skills outdoor pursuits and active learning But has Scouting's very willingness to change with the times undermined its original ideologies and fundamentally changed the movement As Girl Scouts and Guides move into their second century their challenge will be to remain true to their founding values while remaking themselves on a regular basis Given the changing nature of today's societies and the serious problems girls face on a daily basis Girl Guides and Girl Scouts will need to be true to their motto Be Prepared in order to march forward successfully into the future *Subject Index of Modern Books Acquired 1881/1900-*. British Museum. Department of Printed Books, 1927

**American Motherhood**, 1911 *Daughters of the American Revolution Magazine*, 1912 **Ring Around the Maple** Cynthia R. Comacchio, Neil Sutherland, 2024-10-29 Ring Around the Maple is about the condition of children in Canada from roughly 1850 to 2000 a time during which the modern increasingly disrupted traditional ways Authors Cynthia R Comacchio and Neil Sutherland trace the lives of children over this long century with a view to synthesizing the rich interdisciplinary often multi disciplinary literature that has emerged since the 1970s Integrated into this synthesis is the authors new research into many often seemingly disparate archival and published primary sources Emphasizing how the child and childhood are sociohistoric constructs and employing age analytically and relationally they discuss the constants and the variants in their historic dimensions While childhood tangibly modernized during these years it remained a far from universal experience due to identifiers of race gender culture region and intergenerational adaptations that characterize the process of growing up This work highlights children's perspectives through close critical against the grain readings of diaries correspondence memoirs interviews oral histories and autobiographies many buried in obscure archives It is the only extant historical discussion of Canadian children that interweaves the experiences of First Nations Métis and Inuit children with those of children from a number of settler groups Ring Around the Maple makes use of photographs catalogues advertisements government publications musical recordings radio shows television shows material goods documentary and feature films and other such visual and aural testimony Much of this evidence has not to date been used as historical testimony to uncover the lives of ordinary children This book is generously illustrated with photographs and ephemera carefully selected to reflect

children's lives conditions interests and obligations It will be of special interest to historians and social scientists interested in children and the culture of childhood but will also appeal to readers who enjoy the little stories that together make up our collective history especially when those are told by the children who lived them      **T. P.'s Weekly** Thomas Power  
O'Connor, Holbrook Jackson, 1912      *The British National Bibliography* Arthur James Wells, 2007      Studies in Mental  
Inefficiency, 1922      The American Monthly Magazine, 1912
