

# GIRL SCOUT REACH OUT!

Attention Parents/Guardians:

Attached is the Reach Out Portion of the Arrow Journey Badge your daughter is working toward earning. The purpose of the girls doing this activity is to learn what roles women play in their lives, how they have changed roles over their lives, what kinds of stereotypes these women have encountered, and how these women think that all women can change stereotypes in their lives.

The girls are being asked to complete an interview with a women role model. We have asked that you give approval of their interviewee choice prior to the girls conducting the interview. We also ask that you assist the girls in communicating with their interviewee choice and set up a time and place for them to conduct the interview. We are asking that the person they choose to interview not be a parent (Mom), unless necessary. We would like the girls to choose a woman that they feel makes a big influence in the lives around them. This could be a teacher, principal, or any person who works with children, a firefighter or police officer in the community, a health care worker, or a business woman of any kind, or someone retired from any such job. There are just examples to give them ideas of who they might like to interview, of course any who you see as a good candidate will work. It might be helpful to review the questions prior to conducting the interview.

We appreciate the assistance with this project and can't wait to see what the girls learn from this!
