First In Last Out Leadership Lessons From The New York Fire Department:

First In, Last Out John Salka, 2005-02-22 What does it take to lead people into a burning building How do the leaders of the New York City Fire Department develop so much loyalty trust and grace under pressure that their subordinates will risk their very lives for them As a high ranking officer of the FDNY John Salka is an expert at both practicing and teaching high stakes leadership In *First In Last Out* he explains the department's unique strategies and how they can be adopted by leaders in any field as he has taught them to organizations around the country In a tough talking no nonsense style Salka uses real world stories to convey leadership imperatives such as first in last out your people need to see you taking the biggest risk as the first one to enter the danger zone and the last to leave manage change the fire you fought yesterday is not the one you'll be fighting tomorrow communicate aggressively a working radio is worth more than 20 000 gallons of water create an execution culture focus your people on the flames not the smoke commit to reality never allow the way you would like things to be to color how things are develop your people let them feel a little heat today or they'll get burned tomorrow Illustrated by harrowing real life situations the principles in *First In Last Out* will help managers become more confident coherent and commanding On the web <http://www.firstinleadership.com>

Five Alarm Leadership Rick Lasky, John Salka, 2013 Rick Lasky and John Salka are two of the most dynamic and inspirational leaders in the fire service Their book *Five Alarm Leadership* is a compilation of leadership lessons learned situations handled decisions made and problems solved during their combined 60 plus years of fire service experience Also included is a special introduction by Chief ret Bobby Halton Editor in Chief of *Fire Engineering* magazine outlining the nature of transformational leadership and its power to inspire excellence in the fire service

Mastering the Fire Service Assessment Center, 2nd Ed Anthony Kastros, 2018-04-16 Bridge the gap between where you are and where you want to be Do you have the knowledge skills and abilities to evaluate behavior performance and readiness Read *Mastering the Fire Service Assessment Center* to identify what you need to learn and understand how to learn it There is no way you can read and reflect on the wisdom in these pages and not become a better person and a better firefighter Why Read This Book The American fire service is facing a new normal fueled by mass exodus influx of new generations of firefighters a lack of hands on leadership training sweeping changes in mission decimated budgets and the genetics of task oriented reactive forefathers The greatest and perhaps only area that we can affect directly is hands on inspiring realistic and useful training for our aspiring and incumbent leaders This book will help you regardless of the fire officer rank you seek It will help you know where you need to improve how to develop a specific personal plan to become an excellent officer and how to do well with whatever assessment center exercises throw at you **NEW MATERIAL** in this second edition Enjoy reading Wisdom from the Masters from 18 fire service luminaries They provide invaluable insights and challenges you will face as you prepare to promote whether for the first time as a company officer or up the chain as a chief officer Learn lessons from thousands of students from the past 12 years whose feedback will benefit you in this second

edition Benefit from the many new elements in this book including relevant articles additional exercises and content regarding the dimensions of leadership management and emergency operations The complexities of being a fire officer in the 21st century require an undercurrent of humility while continually pursuing mastery of leading in the modern fire service Learn how to lead the modern day firefighter in a modern world with modern technology modern fire behavior and modern sociopolitical and economic challenges Many firefighters ask themselves if they really want to do this job but nothing is as professionally rewarding and challenging as leading others in battle to save lives This book will give you the greatest probability of success in your assessment center process Bobby Halton editor in chief Fire Engineering magazine In Command of Guardians: Executive Servant Leadership for the Community of Responders Eric J. Russell, 2019-05-02 In Command of Guardians Executive Servant Leadership for the Community of Responders Second Edition spotlights the philosophy of servant leadership and offers a pathway for strengthening first responder organizations Responders work in high risk critical situations under the pressure of time and consequence Being a responder means one must become an active player in the tragedies of others Because these situations can change the responder over time a special type of leader is needed to walk beside them while they navigate the realities of public safety and emergency service operations This book illustrates how being a servant leader to these guardians allows the community of responders to strengthen their resiliency foster individual growth and perform at peak levels The book spans a wide breadth and depth and is written in a way that engages the reader immediately It is packed with sensitive and wise insights as well as eminently practical advice for today's emergency services leaders as well as those of tomorrow Emily Hough Editor In Chief Crisis Response Journal Emotionally moving research based and a compelling case for why any organization can benefit from a servant leadership organizational culture Eric debunks the myth that servant leadership is soft and shows how the hard work of skilled servant leaders is exactly what is needed in the alpha worlds of public safety and emergency services Duane Trammell President Trammell McGee Cooper Associates Inc Eric Russell is a pioneer in applying the principles of servant leadership to the communities of brave police fire and emergency services responders This book is destined to be a classic reference work for the field Don M Frick PhD Authorized Robert Greenleaf biographer and co author of Seven Pillars of Servant Leadership The Wisdom of Leading by Serving In Command of Guardian speaks great leadership truths to first responder communities throughout the world This is an important work for those in command of the men and woman who put their lives on the line to save others Christophe Libeau Lieutenant Colonel Brigade de Sapeurs Pompiers de Paris *Pass It On 3* Billy Goldfeder, 2020-04-13 The third time is a charm and that's very true with the third edition of Billy Goldfeder's *Pass It On 3* Chief Goldfeder and his friends have introduced more new contributors in this third edition of *Pass It On* including stories that will continue to expand your knowledge as a firefighter fire officer and emergency responder All royalties from this book will be donated to the Chief Ray Downey Scholarship the National Fallen Firefighters Foundation and the Firefighter Cancer Support Network

Because of you the valuable reader thousands of dollars have been donated to these important causes since 2014 **Safer Care Human Factors for Healthcare** Patrick Mitchell, 2013 **Chief Fire Officer's Desk Reference** International Association of Fire Chiefs, 2006 This cutting edge book has been designed to be a roadmap to success for chief officers and aspiring chief officers It is an insiders guide filled with indispensable advice and guidance provided by some of the most knowledgeable and wise chiefs in the fire service Readers will find a wealth of vital information on essential topics along with the reasoning behind the recommendations **The Fire Scene** John Salka, 2022-11-18 When John Salka joined his first fire department he was an 18 year old who just wanted to be a firefighter Today he looks back in amazement remembering the thrills the shock and disappointments But mostly he gives thanks for a wonderful ride The Fire Scene takes a look at the people issues tools policies successes and failures that are part of the past 40 years in the American fire service Chief John Salka has a story a lesson or a warning to help you through your next fire or emergency whether you are a firefighter company officer or chief He covers nearly every topic tactic and issue that firefighters face each day Follow his simple but impactful lessons about using basic tools discipline leadership responsibility work ethic communications search command and integrity **Who's the Boss?** Hans Krabbendam, Wil Verhoeven, 2007 Is the present popularity of leadership studies an echo of the status of the U S as the leader of the free world or is it hype created by smart entrepreneurs Have current leadership concepts emerged from the democratic environment in America or do they reflect a globalist and timeless approach How do leadership studies reflect national values such as individualism and competition success commonly associated with American culture An international group of scholars of American society seeks to answer these questions in this volume They critically examine the terminology and the explanatory power of various leadership concepts These essays show that the promises of good leadership to protect democratic processes against political and commercial exploitation are often too optimistic Examples from military academies state politics marginal groups and African American politicians dampen high expectations for new visionary political leadership in the United States Fortune, 2004 **Leadership Through Story** Sarah J. Noonan, Thomas L. Fish, 2007 Stories ancient as life itself and deeply embedded within family and cultural traditions transmit knowledge and shared meaning linking people together in a human chain of history and memory Leadership through Story offers a way for leaders and members followers to understand and experience the way a powerful story when shared with others serves as both a catalyst and vehicle to accomplish leadership Leaders and members tell stories to achieve goals experience compassion manage change solve problems and or promote social justice in democratic communities To utilize stories to their fullest leaders need to be aware of how the mutual exchange of stories and the meaning created from this exchange promotes the changes we seek within and among us Listening to diverse voices and locating turning points in dialogue places where we are influenced and changed by others inspires moral imagination and commitment altering our lives together In this way storytelling and dialogue serve as a foundation for personal and social

transformation as well as cultural survivance in human communities **The Success Effect** John Eckberg, 2005 Through his unorthodox question and answer style Eckberg brings revealing commentary and off the cuff answers from America's best business minds The reader gets insight not spin perspective and life lessons not canned responses and public relations

Academy of Management Learning & Education, 2005 **A Descriptive Analysis of Antecedents of Risk Based Decision Making in Firefighting** Alan G. Gomez, 2008 Examines the distribution of firefighter's personal characteristics antecedents of their decision making strategies as well as firefighting personnel's perceptions of the risks inherent in their jobs **The Publishers Weekly**, 2004 *Library Journal*, 2004 *Library Journal* Melvil Dewey, Richard Rogers Bowker, L.
