Metal Worker, Plumber and Steam Fitter, 1902 *God's Gifts for the Christian Life — Part 1* J. Alexander Rutherford, 2021-11-05 How are Christians to think about the intellectual tasks that make up everyday life in the modern world It is clear we are not to do so as the world does but what does it look like to engage Christianly in our thinking In the first part of the series *God's Gifts for the Christian Life* J Alexander Rutherford shows how the Bible equips us to confidently engage in the interpretation of and engagement with the Word of God and the world he has created In God's rich mercy he has enabled us to know him his word and his world In a world where it is preposterous and arrogant to claim to know anything certainly we are in desperate need of renewed foundations In *God's Gifts for the Christian Life* see some of the ways that God through his limitless power has made available to us everything necessary for life and godliness 2 Peter 1:3 *The Gift of Reading — Part 1* J. Alexander Rutherford, 2019-09-30 If the Word of God is our anchor in the chaos of this world if it is our assurance that we can know the world and God its creator we need confidence that we can understand this Word Reading and applying the Bible is essential to every facet of Christian life and ministry yet our ability to do so is under attack from a myriad of directions In Postmodern philosophy the possibility of communication is dismissed let alone communication from God In Biblical studies the amount of knowledge required to come to firm conclusions concerning the meaning and application of the Bible grows every day However the Bible is not so pessimistic about its accessibility Instead it presents itself as a clear word sufficient to guide and encourage Christians in every area of life Beginning with the Bible's own claims to clarity and sufficiency *The Gift of Reading Part 1* outlines the practice of reading the Bible in order to understand and apply it *The Gift of Reading Part 2* will go further into the theory that lies beneath the methodology unpacked in *Part 1*
