Developing Cross-Cultural Relational Ability in Foreign Language Learning Gerrard Mugford, 2021-07-22 By reconceptualizing successful communication in a foreign language as an enjoyable and uplifting experience this volume moves beyond a focus on grammatical accuracy and fluency to foreground the ways in which foreign language learners can be encouraged to build on previous achievements and communicative successes in the target language and so develop confidence commitment and cross cultural relational ability Building on Mugford's previous volume *Addressing Difficult Situations in Foreign Language Learning* 2019 this text draws on grounded qualitative data collected through questionnaires semi structured interviews and conversations with Spanish speaking learners of English to illustrate how learners

experiences and insights can be used to inform a productive pedagogy centred around language users communicative objectives and interactional successes Chapters highlight bilingual speakers conscious language use practices and choices in the target language and the reasons and implications for such deliberate communicative practices and relational behaviour In doing so Mugford is able to outline a critical relational pedagogy designed to better equip language learners with the confidence and pragmatic resources they require to engage in positive cross cultural relational work As a valuable student centred contribution to teaching and learning of modern foreign languages this volume will be key reading for researchers scholars and educators with an interest in language education TESOL World Language teaching and Applied Linguistics

Language and Language Learning Nelson H. Brooks,1961 **Language Learning Environments** Phil

Benson,2021-06-04 This book is the first in depth examination of the application of theories of space to issues of second language learning The author introduces the work of key thinkers on the theory of space and place and the relevance of their ideas to second language acquisition SLA He also outlines a new conceptual framework and set of terms for researching SLA that centre on the idea of language learning environments The book considers the spatial contexts in which language learning takes place and investigates how these spatial contexts are transformed into individualised language learning environments as learners engage with a range of human and nonhuman and physical and nonphysical resources in their daily lives Revisiting linguistics and language learning theory from a spatial perspective the book demonstrates that the question of where people learn languages is equally as important as that of how they do so This work is essential reading for any researcher wishing to research the role of the environment as an active player in SLA [Language Learning for Busy Bees](#)

Lindsay Shorten,2021-04-07 Have you ever wanted to learn a foreign language but felt you hadn t the time to fit it in Many people have been in this position where they would love to take up a new hobby such as learn to play an instrument or speak a foreign language but they feel that after work and home life there isn t much time left in the week to dedicate to learning Sometimes we do start learning something new but as the weeks pass it gets harder and harder to find the same time and discipline to keep at it Language Learning for Busy Bees is all about finding the time in your week to set aside for language learning The author will accompany you from the start of your language learning journey from the benefits of learning a language which language to choose all the way up to helping you manage your time and to stay motivated Lindsay Shorten has been learning over 20 languages in almost 15 years and this is her proven method to reaching fluency in a target language As well as giving guidance on time resource management she includes experiences from her own travels and language learning This step by step guide is a great asset for anyone looking to finally take that leap of faith with their language learning **Language Learning** Christine Chuen Meng Goh,Rita Silver,2006 *Let's Learn Mandarin Chinese*

Ebook Li Yu,2016-03-08 Let s Learn Mandarin Chinese Kit is a complete language learning tool specially designed to introduce young children to the basic sounds words characters and phrases of Mandarin Chinese in a fun and interactive way

This ebook is perfect for use in a classroom setting for home schooling on vacation or anywhere else that learning takes place. It is intended for learners who have little or no background in the Chinese language. It contains 64 flash cards, Downloadable recordings of words, sentences and songs, A wall chart showing the main words and phrases at a glance, A 32 page Learning Guide for parents and teachers. The 64 words are organized into thematic categories including My Family, Colors, Numbers, Animals, Food, My Body, Clothes, My Day. Each word is illustrated with a picture that serves as an effective visual aid to learning and remembering the word. The words often reflect cultural objects and can be studied in any order. Chinese language learners may focus on one theme at a time or mix them up for greater variety. Simple example sentences are given for each word to show how they are used. Human and material resources are two key elements that make up the language learning process. Regarding material resources, nowadays, new technologies can be said to play a

leading role in most language learning environments However we cannot forget that these relatively new tools still coexist with more traditional ones which are still widely used in the foreign language classroom On the other hand the progressive emergence of new human roles in language learning means that human resources have also become a key medium through which the learner accesses knowledge and practice towards language acquisition There is an obvious need to carry out research on these resources in order to assess their potential for an optimum learning experience This book tries to meet such needs offering the research work that different authors have carried out in this field The Role of the First Language in Foreign Language Learning Håkan Ringbom,2013 **Computer-Assisted Language Learning** ,2014-09 **Digital Language Learning and Teaching** Michael Carrier,Ryan M. Damerow,Kathleen M. Bailey,2017-01-27 This carefully balanced set of studies and practitioner research projects carried out in various learning contexts around the world highlights cutting edge research in the use of digital learning technologies in language classrooms and in online learning Providing an overview of recent developments in the application of educational technology to language learning and teaching it looks at the experience of researchers and practitioners in both formal and informal self study learning contexts bringing readers up to date with this rapidly changing field and the latest developments in research theory and practice at both classroom and education system levels **Personalizing language learning** Griff Griffiths,2001 Language Learning Unlocked Andrew Weiler,2013-07-23 If you have struggled to learn another language or you are looking for better ways to do it look no further than this book It looks into and explains why so many people have difficulties in learning foreign languages despite the fact that all of us learned our first with relative ease It tells us what we need to do if we are to improve our language learning It also provides a whole host of free downloadable resources to help learners implement some of the suggested practices It can be used by itself if you are an independent kind of learner or it can be used in conjunction with courses so you can gain maximum benefit out of them **The Principles of Language-study** Harold E.
