Dynamic Prayer Meeting Study Guide:

SCM Studyguide: Liturgy, 2nd Edition Stephen Burns, 2017-10-30 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area. It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware. This 2nd edition of the popular Studyguide is fully revised, updated, and expanded. The book takes account of new developments in scholarship, engages with new contexts for liturgical celebration, notably fresh expressions, as part of a mixed economy of church, encompasses recent revisions in liturgy, and seeks to broaden the engagement beyond the British context to consider the wider global context. **30 Days to a More Dynamic Prayer Life**

John Franklin, 2014-02-27 God created prayer as a personal, intimate way for us to connect, to talk to, and listen to Him. But how many times have you felt like the prayer culture at your church is inconsistent at best? This thirty-day leaders' resource ties solid biblical teaching with practical ways on how to make prayer a lifestyle habit. Author and pastor John Franklin will equip and challenge your church not only to develop an enjoyable prayer life but also to help you get to know your Heavenly Father better. Includes basics on Focusing on God, Responding from the heart, Seeking His kingdom. **SCM Studyguide:**

Church Leadership Jon Coutts, 2019-04-30 It is increasingly being acknowledged that the current generation of church leaders are inundated with well-intentioned but nonetheless economically defined leadership measures and strategies which threaten to corrupt the basic thrust of ministry and pervert the common life known as church. Reflecting theologically on the nature of leadership at the same time as considering the reality of its practicalities, this Study Guide seeks to call it back to theological essentials, locate it in the unique context of the Church, and then re-address modern pressures and needs from within a decidedly Christian framework. Resisting the urge to instruct with a more polemical voice, the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re-orient creatively around the callings, giftings, and approaches that are suitable to Christ and particular to the Church.
