

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly a table or ground, covered with dark soil. Several potted plants are arranged around the perimeter: a succulent with small green leaves in the top left, a fern-like plant in the top center, a dense green plant in the top right, a basil plant in the bottom left, and another basil plant in the bottom right. In the center, there are two gardening tools: a trowel with a wooden handle and a metal head, and a small shovel or fork. A small pile of dark soil is visible near the bottom center. The overall scene is well-lit, highlighting the green of the plants and the dark of the soil.
