*The No-Nonsense Guide to Language Learning* Benny Lewis, 2018-09-22 Benny Lewis rocks Tim Ferriss author the Four Hour Working Week Benny was enormously helpful in planning my year without English Scott Young Rapid Learner Benny's destiny was to never speak Spanish or any other language At school he spent years studying Irish and German Even after all this study he still couldn't speak them By the time he reached his 20s he could only speak English Yet he ignored the call of destiny and decided to learn Spanish anyway These days Benny speaks over 10 languages all self taught and runs the world's most popular language learning blog Fluent in 3 Months How has he achieved this He's devoted his adult life to discovering language hacks faster and smarter ways to learn a new language Inside *The No Nonsense Guide to Language Learning* you'll discover Why Benny's destiny was to never speak Spanish and how he did it anyway The smartest decision you can ever make for your language learning How to learn a new language fluently How beginners can outsmart expert language learners Why the CIA wrong and it doesn't take 1 000 hours to learn a language The 7 most common mistakes language learners make and how to fix them How to practise speaking a foreign language without travelling overseas If you want to learn how to speak a new language pick up your copy of *The No Nonsense Guide to Language Learning* today *Language Learning Online: Towards Best Practice* Uschi Felix, 2003-01-01 This important and accessible book identifies the key elements in the quest for best practice in online language teaching The authors all of them international experts who have made significant contributions to the debate about how to exploit the new technologies consider online language teaching from three crucial perspectives design tools and pedagogy Their recommendations are such that they can actually be realised in spite of the limitations of today's educational environments The book demonstrates that the new technologies offer far greater potential for authentic encounters and constructivist learning than even the best classroom simulations that automated exercise and feedback structures can be individualised and meaningful and that if we have to teach fully by distance these ventures no longer need to represent impoverished versions of live classes but can engender a strong sense of community To achieve this we need to understand what elements constitute good design both in technical and pedagogical terms to think seriously about providing the best feedback possible and to have the courage to take the risks associated with letting go of traditional learner teacher relationships *Multilingualism, Second Language Learning, and Gender* Aneta Pavlenko, 2001 Annotation The goal of this collection of essays is to transcend the Anglocentric monolingual bias which has characterized much of the field of language and gender studies by creating a new field combining multilingualism second language learning SLL and gender The focus of the new field is the relationship between gender ideology power and linguistic practices in bi and multilingual communities The 11 contributing authors include scholars from the fields of linguistics language teaching and acquisition teacher education communication and sociology and equity studies from the UK the U S Canada and Australia Annotation copyrighted by Book News Inc Portland OR *Manual of Language Acquisition*

Christiane Fäcke,2014-08-25 This manual contains overviews on language acquisition and distinguishes between first and second language acquisition It also deals with Romance languages as foreign languages in the world and with language acquisition in some countries of the Romance speaking world This reference work will be helpful for researchers students and teachers interested in language acquisition in general and in Romance languages in particular **NEST**
