collecting success Inside you ll find 30 000 individual recordings 9 000 price changes 7 500 recording artists with 900 first time listings 1 600 label photos including 200 additions 78s 45s EPs and LPs four major categories jazz big band country Western blues R all inclusive artist index Back cover      **Digital Project Practice for Banking and FinTech** Tobias Endress, 2024-03-13 New technology and changes in the regulatory framework have had a significant impact various new players have emerged and new business models have evolved API based ecosystems have become the new normal and collaboration in the financial and banking industry has reached new levels Digital Project Practice for Banking and FinTech focuses on technology changes in the financial industry and their implications for business practice A combination of practical experience in the field as well as academic research the book explores a wide range of topics in the multifaceted landscape of FinTech It examines the industry s various dimensions implications and potential based on academic research and practice From project management in the digital era to the regulation and supervision of FinTech companies the book delves into distinct aspects of this dynamic field offering valuable insights and practical knowledge It provides an in depth overview of various unfolding developments and how to deal with and benefit from them The book begins by exploring the unique challenges and opportunities project management presents in the digital era It examines the evolving role of project management and provides strategies for effectively navigating the complexities of digital transformation initiatives The book then covers such topics as Financial Technology Canvas a powerful tool for facilitating effective communication within fintech teams Process automation implementation in the financial sector and related benefits challenges and best practices to drive operational efficiency and enhance customer experiences Robotic process automation in financial institutions Cyptoeconomics and its potential implications for the diffusion of payment technologies The efficiency and risk factors associated with digital disruption in the banking sector At its core this book is about real world practice in the digital banking industry It is a source of different perspectives and diverse experiences from the global financial and banking industry

**History and Theory of Compromise** Jan-Hendryk de Boer, Manon Westphal, Julia Mariko Jacoby, Karsten Mause, Stefan Zeppenfeld, 2025-11-17 Interest in compromise has recently grown both in public and scholarly debates However there is a lack of interdisciplinary dialogue on the topic This volume fills this gap by bringing together contributions from various relevant disciplines They show that compromise has been a central technique to regulate social and political conflicts in different contexts In a compromise the conflicting parties create an agreement by making mutual concessions but do not give up their original claims Therein lies the capacity of compromise to prevent or end escalated conflicts even in situations in which disagreements cannot be transformed into a consensus In addition to theoretical investigations of the concept the volume includes case studies on Europe in the Middle Ages in the 19th and 20th centuries and on pre modern and contemporary Japan The overarching question is about the preconditions of compromises The authors examine the role of compromise in diplomacy politics trade economics and everyday life Together they generate a comprehensive picture of the

capacities and limitations of compromise in the past and today      *AI Agents Made Easy* Barron Wilson, 2025-06-06 *AI Agents Made Easy* Build Your Digital Workforce with No Code Tools Simplify automation Build smarter No coding required This practical easy to follow guide helps you unlock the power of AI agents intelligent digital workers that can think act and learn on their own Best of all you don't need to be a programmer to build them *AI Agents Made Easy* shows you how to create your own smart automation tools using popular no code platforms like n8n Coinbase AgentKit Zapier and Make Whether you're running a business managing content trading crypto or planning trips this book walks you step by step through building agents that handle real world tasks automatically You'll learn how to build agents that Trade crypto on Coinbase monitor prices and manage risk Write and optimize content for TikTok YouTube and blogs Create branded videos and auto post them to social media Plan travel find deals and book multi stop trips Summarize research from the web PDFs and social media Write polish and schedule blog posts for platforms like WordPress and X You'll also discover how to connect these agents into larger systems like a full blown content production pipeline or an automated travel business Along the way you'll explore key tips for keeping your agents running smoothly securely and around the clock And because the world of AI is moving fast you'll get a look at what's coming next the latest tools trends and ethical insights to help you stay ahead      *CTRL HATE DELETE* Cécile Simmons, 2025-03-18 How did Johnny Depp and Amber Heard's divorce become the centre of the anti MeToo backlash Why have so many teen boys fallen under the thrall of Andrew Tate a failed reality show contestant And why are a growing number of influencers like tradwives dressing up like 1950s housewives and preaching total subservience to men In the years since MeToo the largest social media facilitated feminist campaign in history Roe v Wade has been overturned in the United States there have been attacks on reproductive rights in multiple countries and female political leaders have withdrawn from the world stage citing the level of abuse they get as a reason *CTRL HATE DELETE* takes a deep dive into how a collection of misogynists and their allies have turned male supremacist ideology from a niche set of beliefs into a mainstream movement With interviews from experts influencers and activists it outlines how to fight the rising tide of online misogyny and make online spaces more equal and inclusive      *Index to Current Urban Documents*, 1990      **Integrity of Scientific Research** Joel Faintuch, Salomão Faintuch, 2022-10-13 This book provides a scientific and ethical approach to all forms of fraud and misconduct focusing on a scholarly however practice oriented description of the problems roots and potential solutions Organized in dedicated parts an international team of experts systematically analyzes the most prevalent forms of misconduct ghost writing pseudo science dubious trials predatory journals fake news mistreatment and harassment in research publications at academic institutions and in the professional and healthcare environment A special focus is given to corrective interventions and the role of prevention education and training Comprehensive in its scope the book offers an easy to read overview along with a number of real cases for experienced and novice personnel alike The significance of scientific integrity and research ethics increased during the last couple of years and ethic committees and offices have become an

integral part at universities hospitals research institutions government agencies and major private organizations all over the world Thus this book provides an indispensable comprehensive overview across disciplines and for everybody working in research and affiliated institutions Chapter 37 is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) **Canadiana**, 1981-06 **Bibliography of Agriculture**, 1978 Mastering the May 2026 TOK Essay James Cartwright, 2025-09-11 Mastering the May 2026 TOK Essay is a practical and comprehensive guide designed to help IB Diploma students and teachers approach this demanding assessment with confidence and clarity Inside this book you will find A clear introduction to the TOK essay including the official brief advice on choosing your title features of high level essays recent grade statistics and essential reminders about academic integrity Chapters dedicated to each of the six prescribed essay titles each offering An unpacking of the question highlighting key terms assumptions and implications Perspectives on possible student stances with guiding sub questions to spark analysis Real world examples and counterexamples for each permitted Area of Knowledge Potential pitfalls including possible misinterpretations cognitive biases and logical fallacies Curated quotes proverbs and references to popular culture to enrich arguments Links to the 12 TOK key concepts four knowledge framework aspects five ATL skills and ten learner profile traits Whether you are a student aiming for top marks or a teacher seeking practical classroom support this book provides the structure examples and insights needed to make the TOK essay both manageable and rewarding **Secret Guide to Earn Millions on Tik Tok And Become Trend Maker** Poonam Patel, 2020-07-21 How To Be An Influencer Attract Millions of Followers and Create a Personal Brand on TikTok Do you want to become the next person making tiktok trends make interesting tik tok musically that will go viral and make money on this crazy new platform Are you a brand manager or a business owner looking to expand your market and advertise on TikTok If that's the case this is just the book for you TikTok is all the rage these days TikTok is a great platform for brands and businesses that want to appeal to younger audiences and expand their brand beyond social media marketing This book will teach you how to do exactly that What are the most important features on TikTok and how to get started How to become famous and attract millions of followers Teach you how to use each major platform and help you make a plan on how to market social media support A great book on how to become a millionaire And so much more THE FUTURE IS NOW NOT SO FAR DO NOT MISS THIS OPPORTUNITY TO KEEP WITH IT Request your copy of TIK TOK 2020 now and start improving your business today **Tiktok: How Tiktokers Make Money and Influence Trends (The Ultimate Guide to Building a Successful Tiktok Strategy With a Faceless Profile)** Johnny Nelson, 101-01-01 In the ever evolving digital landscape where trends shift at the speed of a click few platforms have reshaped the sales and marketing game quite like tiktok What initially seemed like a space for fun and creative videos has become a powerful tool for brands seeking authentic connections with their consumers Far from being a passing trend tiktok represents a revolution in how products and services are promoted and sold online This is the second book in a series
