Mediating Presence Peter Zakrzewski, David Tamés, 2025-05-21 *Mediating Presence Immersive Experience Design Workbook for UX Designers Filmmakers Artists and Content Creators* provides the foundation for a broader understanding of the impact of XR as the next medium. The methods presented draw from a wide range of disciplines and professional practice to provide a practical guide to design methods, production techniques, best practices, and terminology that provides an effective road map for developing immersive experiences using augmented reality, virtual reality, augmented virtuality, and other emerging immersive media forms. In this book, media designers Peter Zak Zakrzewski and David Tamés present a comprehensive framework for XR media experience design, XR XD, that will allow UX designers, filmmakers, artists, and content creators to connect their audiences to rich multimodal immersive experiences for entertainment, learning, creating, and healing. This book guides the reader through a 12 1 step design-based model for creating XR experiences. Each step is accompanied by specific media design methods expressly created for or adapted to XR content creation. The theoretical concepts and methods covered address the specific context and meaning aspects of the XR media environments being created.

Filled with writing prompts and plenty of room to expand, it covers the aspects of world building that the series it is based on, including the universe, solar systems, planets, and moons, continents, land features, sovereign powers, settlements, interesting places, history, species, races, plants, animals, monsters, world figures, maps, cultures, religions, items, military groups, organizations, advanced technologies like AI and spacecraft, and additional systems such as education, information, health, legal, and more. **Dystopia, Science Fiction, Post-Apocalypse**

Eckart Voigts-Virchow, Alessandra Boller, 2015 Dystopia Dave Golder, 2015-01-15 We have an obsession with broken societies set in futuristic worlds, curious but terrifying new technologies, and post-apocalyptic, dusty wastelands where survivors grow more desperate every day. Dystopian themes are becoming ever more popular, and this is the book to show the art, fiction, and movies.
