 Ring **A Demigod's Saga** Bhavesh Purohit,Deeksha Purohit,2013-11-06 The story cannot be confined to a mere fictional
 category It crosses boundaries and mingles with most of the categories including fantasy suspense love story romance
 philosophical humor intense family drama etc Though a fiction it covers the fantasy because of its superhero element it is a
 suspense because of the never ending twists and turns in the story its a love story between the protagonist and his lady love
 and its philosophical because whenever the superhero falls in the story he is forced to redeem his thinking and get himself
 motivated by listening to his elders wise thoughts There is a sting of dry humor in the dialogues and intense family drama
 because it involves relationship and their importance that we share in our everyday life The story revolves around a central
 theme of the real essence of life being Life is not about how many times we fail but how many times we rise above from our
 failures as the protagonist fails to deliver multiple times in the story but again raises himself above his failures forcing people
 to believe in him time and again **The Starlight Bond** Bruce Goldwell,2025-07-10 The Starlight Bond A Romantasy
 SagaBeneath twin moons where flames dance with starlight a forbidden bond ignites a love that could save or shatter the
 Elemental Realms In a world where emotions fuel the tides winds and flames Ember is flame born trained to fight forbidden
