Genetic Control Of Environmental Pollutants Basic Life Sciences:

Genetic Control of Environmental Pollutants Gilbert S. Omenn, Alexander Hollaender, Claire M. Wilson, 2013-11-11
Gilbert S Omenn Dean Public Health and Community Medicine University of Washington Seattle Washington 98195 On behalf of the University of Washington the City of Seattle the sponsors and donors and my co organizers I am delighted to welcome all of you to this Conference on Genetic Control of Environmental Pollutants My only regret is that Dr Alexander Hollaender who has inspired so many of us as young scientists and stimulated so many trail blazing conferences in environmental sciences and in genetic engineering is ill and was unable to make the trip to Seattle He sends his warm good wishes for an outstanding meeting and a fine volume The purpose of this Conference is to identify and assess strategies for more effectively and safely managing wastes and toxic substances in the environment in part through use of genetically engineered microorganisms There is a sense of desperation in our society that modern technologies have introduced a bewildering array of potential hazards to human health and to our environment There is an accompanying sense of frustration that our prodigious basic research capabilities and our technological ingenuity have not yielded practical ways to control many pollutants and waste streams or better still to convert them to useful products

Genetic Control of Environmental Pollutants Gilbert S. Omenn, Alexander Hollaender, Claire M. Wilson, 1984-02-29

Microbial genetics applied to biotechnology : Venetia A. Saunders, 2012-12-06
This book describes techniques of microbial genetics and how they may be applied to biotechnology The text is concerned largely with the application of these techniques to microbial technology We have therefore utilised illustrative material that is given in our own courses in applied microbiology The book assumes in the reader a basic knowledge of microbial will prove useful to under genetics and industrial microbiology We hope it graduates postgraduates and others taking courses in
