Genocidal Nightmares Narratives Of Insecurity And The Logic Of Mass Atrocities:

Genocidal Nightmares Abdelwahab El-Affendi, 2014-11-01 This book offers a novel and productive explanation of why ordinary people can be moved to engage in destructive mass violence or terrorism and the abuse of rights often in large numbers and in unexpected ways Its argument is that narratives of insecurity powerful horror stories people tell and believe about their world and others can easily make extreme acts appear acceptable even necessary and heroic As in action or horror movies the script dictates how the hero acts The book provides theoretical justifications for this analysis building on earlier studies but going beyond them in what amount to a breakthrough in mapping the context of mass violence It backs its argument with a large number of case studies covering four continents written by prominent scholars from the relevant countries or with deep knowledge of them A substantial introduction by the UN s Special Advisor on the Prevention of Genocide demonstrates the policy relevance of this path breaking work *Genocidal Nightmares* Abdelwahab El-Affendi, 2014 This book offers a novel and productive explanation of why ordinary people can be moved to engage in destructive mass violence or terrorism and the abuse of rights often in large numbers and in unexpected ways Its argument is that narratives of insecurity powerful horror stories people tell and believe about their world and others can easily make extreme acts appear acceptable even necessary and heroic As in action or horror movies the script dictates how the hero acts The book provides theoretical justifications for this analysis building on earlier studies but going beyond them in what amount to a breakthrough in mapping the context of mass violence It backs its argument with a large number of case studies covering four continents written by prominent scholars from the relevant countries or with deep knowledge of them A substantial introduction by the UN s Special Advisor on the Prevention of Genocide demonstrates the policy relevance of this path breaking work The 'War on Terror', State Crime & Radicalization Shamila Ahmed, 2020-04-22 This book examines the war on terror and radicalization from an ontological non state centric perspective Since 9 11 criminology has developed in its study of terrorism utilising alternative non state centric frameworks to uncover and make visible state initiated harm Although progress has been achieved criminology has continued to privilege the state thereby failing to uncover forms of state crime and how such crimes facilitate radicalization and terrorism Ahmed aims to rectify this gap by demonstrating how crimes of the state have contributed to the existence of Islamist inspired terrorism and the emergence of global Jihadist organisations like Al Qaeda and ISIS The War on Terror abandons the dominant socially constructed discourse and application of the war on terror and instead favours a grounded approach whereby actors actions and consequences are analysed according to the risk they represent Ahmed achieves this grounded approach through situating state practices in international human rights law and international humanitarian law Through documenting the intersectionality of these practices with radicalization in the emergence of global Jihadist organisations the book demonstrates how state crimes contribute to terrorism Although the book sits at the intersections of critical criminology state crime international

transnational crime it is relevant to all disciplines that are concerned with state crime terrorism and radicalization

Routledge Handbook on Middle East Security Anders Jägerskog, Michael Schulz, Ashok Swain, 2019-02-11 Routledge
Handbook on Middle East Security provides the first comprehensive look at Middle East security issues that includes both traditional and emerging security threats Taking a broad perspective on security the volume offers both analysis grounded in the hard military and state security discourse but also delves into the soft aspects of security employing a human security perspective As such the volume addresses imminent challenges to security such as the ones relating directly to the war in Syria but also the long term challenges The traditional security problems which are deep seated are at risk of being exacerbated also by a lack of focus on emerging vulnerabilities in the region While taking as a point of departure the prevalent security discourse the volume also goes beyond the traditional focus on military or state security and consider non traditional security challenges This book provides a state of the art review of research on the key challenges for security in the Middle East it will be a key resource for students and scholars interested in Security Studies International Relations Political Science and Middle Eastern Studies

A Transdisciplinary Study of Global Mobilities Eduardo Tasis Moratinos, Ti-han Chang, Alicia Moreno Giménez, 2024-12-31 Identities on the Move interrogates the categories given and adopted by people on the move through a transdisciplinary and global approach that includes social and political sciences and the arts It brings together experiences of displacement from a variety of cultural and national backgrounds including Brazilians Chinese Koreans South Italians Africans Muslims Arabophobe migrants Iranians Pakistanis Bosnians Latin Americans and Eastern Europeans It looks at their identity negotiating processes in different geographies across the globe namely Japan UK Palestine Italy Australia Europe and North America This multi geographical and multi disciplinary approach allows us to decentralise previous narratives of migration by reformulating them against coloniality and invisibility and presenting them within a richer and changing contemporary map of dynamic identities The global scale of the case studies included in this volume also allows for a wider exploration of thematic concepts within the transformation of displaced identities such as assimilation versus alienation memory and trauma stigmatisation enculturation acculturation and deculturation In a nutshell this volume highlights current complexities of identity formation in a global scene that is moving away from homogenous nations by presenting a multi layered and multi spatial notion of belonging

China and Intervention at the UN Security Council Courtney J. Fung, 2019-07-30 What explains China's response to intervention at the UN Security Council China and Intervention at the UN Security Council argues that status is an overlooked determinant in understanding its decisions even in the apex cases that are shadowed by a public discourse calling for foreign imposed regime change in Sudan Libya and Syria It posits that China reconciles its status dilemma as it weighs decisions to intervene seeking recognition from both its intervention peer groups of great powers and developing states Understanding the impact and scope conditions of status answers why China has taken certain positions regarding intervention and how these positions

were justified Foreign policy behavior that complies with status and related social factors like self image and identity means that China can select policy options bearing material costs China and Intervention at the UN Security Council offers a rich study of Chinese foreign policy going beyond works available in breadth and in depth It draws on an extensive collection of data including over two hundred interviews with UN officials and Chinese foreign policy elites participant observation at UN Headquarters and a dataset of Chinese language analysis regarding foreign imposed regime change and intervention The book concludes with new perspectives on the malleability of China's core interests insights about the application of status for cooperation and the implications of the status dilemma for rising powers
