**Genesis 12-50** Mark Sheridan, Thomas C. Sheridan, 2002 **The Twelve Prophets** Alberto Ferreiro, Thomas C. Oden, 2003-10-01 The church fathers mined the Old Testament throughout for prophetic utterances regarding the Messiah but few books yielded as much messianic ore as the Twelve Prophets sometimes known as the Minor Prophets In this rich and vital ACCS volume you will find excerpts some translated here into English for the first time from more than thirty church fathers **Genesis 12-50** Mark

Sheridan, Thomas C. Oden, 2014-02-19 Genesis 12 50 recounts the history of the patriarchs Abraham Isaac Jacob and Joseph and the early fathers used these passages to draw out the spiritual significance of the patriarchal narrative for Christian believers In this ACCS volume ancient commentators provide a wealth of ancient wisdom to stimulate the mind and nourish the soul of the church today **Proverbs, Ecclesiastes, Song of Solomon** J. Robert Wright, Thomas C. Oden, 2005-04-08

Proverbs Ecclesiastes and the Song of Solomon were all thought by the early church fathers to have derived from the hand of Solomon To their minds the finest wisdom about the deeper issues of life was to be found in these books This ACCS volume offers a rich trove of wisdom on Wisdom literature for the enrichment of the church today **Isaiah 1-39** Steven A.

McKinion, Thomas C. Oden, 2004-03-08 For the early church fathers the prophecy of Isaiah was not a compendium of Jewish history or theology but an announcement of the coming Messiah fulfilled in the life and ministry of Jesus of Nazareth In this ACCS volume readers will find commentary on Isaiah 1 39 ranging from East to West and from the first through the eighth centuries **1-2 Corinthians** Gerald L. Bray, Thomas C. Oden, 2006-10-05

In Paul's letters to the Corinthian church the pastoral issues of a first century Christian community stand out in bold relief This ACCS volume highlights the wisdom of Paul's epistles to the Corinthian church as interpreted by early church fathers such as Chrysostom Didymus the Blind Theodore of Mopsuestia Origen and Ambrosiaster Mark Thomas C. Oden, Christopher Alan Hall, 1998 First Published in

1999 Routledge is an imprint of Taylor Francis an informa company **Privilege the Text!** Abraham Kuruvilla, 2013-04-25

Privilege the Text spans the conceptual gap between biblical text and life application by providing a rigorous theological hermeneutic for preaching Kuruvilla describes the theological entity that is the intermediary between ancient text and modern audience and defines its crucial function in determining valid application Based on this hermeneutic he submits a new mode of reading Scripture for preaching a Christiconic interpretation of the biblical text a hermeneutically robust way to understand the depiction of the Second Person of the Trinity in Scripture In addition Kuruvilla's work provides a substantive theology of spiritual formation through preaching what it means to obey God the Christian's responsibility to undertake faith

full obedience to divine demand and the incentives for such obedience all integral to understanding the sermonic movement from text to application Privilege the Text promises to be useful not only for preachers and students and teachers of homiletics but for all who are interested in the exposition of Scripture that culminates in application for the glory of God

*1-2 Corinthians* Thomas C. Oden, 2013-07-04 The Ancient Christian Commentary on Scripture is a unique twenty eight volume series encompassing all of Scripture and offering contemporary readers the opportunity to study for themselves the key writings of the early church fathers Arranged by the books of the Bible each portion of commentary allows the living voices of the church in its formative centuries to speak as they engage the sacred page of Scripture rendered throughout the series in English in the ecumenically accepted Revised Standard Version of the Bible The Ancient Christian Commentary on Scripture does what very few of today s students of the Bible could do for themselves With the aid of computer technology the vast array of writings from the church fathers including much that is available only in the ancient languages have been combed for their comment on Scripture From these results scholars with a deep knowledge of the fathers and a heart for the church have hand selected material for each volume shaping annotating and introducing it to today s readers Each portion of commentary has been chosen for its salient insight its rhetorical power and its faithful representation of the consensual exegesis of the early church The Ancient Christian Commentary on Scripture is an ecumenical project promoting a vital link of communication between today s varied Christian traditions and their common ancient ancestors in the faith On this shared ground we listen as leading pastoral theologians of the church s first several centuries gather around the text of Scripture and offer their best theological spiritual and pastoral insights Today the historical critical method of interpretation has nearly exhausted its claim on the biblical text and on the church In its wake there is a wide spread yearning among Christian individuals and communities for the wholesome the deep and the enduring The Ancient Christian Commentary on Scripture seeks not to replace those excellent commentaries that have been produced in the twentieth century It supplements them framing them with interpretive voices that have long sustained the church and only recently have fallen silent It invites us to listen with appreciative ears and sympathetic minds as our ancient ancestors in the faith describe and interpret the scriptural vistas as they see them The Ancient Christian Commentary on Scripture is a postcritical revival of the early commentary tradition known as the *glossa ordinaria* a text artfully elaborated with ancient and authoritative reflections and insights An uncommon companion for theological interpretation spiritual reading and wholesome teaching and preaching

*Hebrews* Erik M. Heen, Philip D. W. Krey, Thomas C. Oden, 2005-07-08 The epistle to the Hebrews offers a profound high Christology and makes an awe inspiring contribution to our understanding of Jesus as our High Priest Including thirty four homilies from John Chrysostom and commentary from other church fathers from around the world this ACCS volume offers a rich treasure of ancient wisdom from Hebrews for the enrichment of the church today

Syriac and Antiochian Exegesis and Biblical Theology for the 3rd Millennium Robert D. Miller, 2008 This volume of collected essays explores the exegesis of the patristic
