Barnes,2024-10-07 The gospel is being preached however the Bible makes it clear that it is the truth of the gospel that has to be proclaimed to the world before it ends and warns of those preaching a different gospel This true gospel was being followed when Christ s followers were first called Christians after He left earth and only those adhering to this same gospel will be translated when He returns In a thoughtful word by word commentary on the most famous and most quoted verse in the Bible Randy Barnes with no denominational predisposition shows how a correct understanding of John 3 16 clearly illuminates this identical gospel when the paradigms of customs and traditions are eliminated from its interpretations Using biblical hermeneutics and contextual juxtaposition as tools Barnes shows how the

Bible gives its own interpretation of not only of John 3 16 but all other verses as well Using only scriptural references Barnes demonstrates how God has used both the Jewish and Christian faiths to spread the story of the true gospel to the world by examining over two dozen doctrinal issues from the earth s creation to its recreation from the books of Genesis to Revelation The book is formatted with both a comprehensive table of contents and an exhaustive index to enable its use as reference for Bible study Supplemental information such as diagrams and illustrations are also included to assist in your reading enjoyment Christians will find excellent support for foundational principles as well as be challenged in much traditional thinking
