

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly soil or a work mat. Scattered around are various potted plants, including green leafy herbs like basil and mint, and some succulents. Gardening tools are visible, including a trowel with a wooden handle and a small shovel. There are also some small pots and containers. The overall scene is well-lit, with the plants and tools standing out against the dark background.

**Simply Vegetable Gardening-Simple Organic Gardening Tips for the Beginning Gardener** Donna Brown, 2014-04-14 With food costs rising sharply every time we step into a grocery store, it is time everyone started a garden. This book shows you how. Learn to start a vegetable garden using healthful, easy-to-grow vegetables and extend your harvest from early spring through winter. This guide shows the best ways the author has found to grow healthful vegetables from the moment the ground thaws in the spring until the ground freezes again in the winter. Cygnet Brown is not a novice gardener. She has over forty years of practical gardening experience under her belt. For her

organic gardening principles are not simply a philosophy they are a way of life Without using chemical fertilizers herbicides or pesticides she has managed to grow many of the family s groceries and has improved her corner of the planet s soil in the process Her use of this natural practical philosophy stems from the premise that healthy soil produces healthy plants
